2.3 Nothing in this section shall prevent the CCSNH from discussing matters of mutual concern with its employees.

2.4 The provisions of this Agreement shall be applied equally to all covered employees in the bargaining unit in accordance with state and federal law.

Article III ***MANAGEMENT RIGHTS***

3.0 All rights and responsibilities of the CCSNH Board of Trustees which have not been specifically provided for or limited by this Agreement or limited by law shall be retained at the sole discretion of the CCSNH Board of Trustees, or as may be delegated. 3.2 The right to direct, supervise, and train employees; to appoint, assign, schedule, transfer, evaluate, promote, and retain employees in positions; to determine qualifications, hiring criteria and standards of work; to establish standards of productivity and performance; to grant educational and other leaves; and to suspend, demote, discharge, or take other disciplinary actions against an employee;

The CCSNH shall not prohibit any contractor from hiring unit employees unless law or ethics policies prohibit it.

Article IV **ASSOCIATION RIGHTS**

4.1 *CCSNH-Association Communication*

4.1.1 The Parties recognize their mutual obligation to meet and confer regarding problems arising out of the employment relationship between the employer and covered employees. It is agreed that the CCSNH Administration and Representatives of the Association shall endeavor to meet periodically to discuss and attempt to resolve matters of mutual interest. One such meeting may be called upon by request of the CCSNH Administration or the Association each semester and during the summer, with additional meetings as mutually agreed upon. Such meetings shall be in addition to any meetings of the Labor Management Committee. Agendas shall include items of mutual interest and shall be agreed upon within seven (7) days of such meetings.

4.1.2 The CCSNH shall furnish reasonable locations and space on bulletin boards for the use of the Association. The Association shall use this board for posting of notices pertaining to recreational and social activities, Association elections, reports of the Association, or its committees, Association meetings notices, legislative enactments, decisions of the Public Employee Labor Relations Board (PELRB), and judicial decisions affecting public employee labor relations. The Association shall not post any materials which are obscene, defamatory, or impair the operation of the CCSNH or its colleges; or which constitute partisan, political campaign material. Where the CCSNH finds material posted on the bulletin board to be objectionable as violative of the Agreement, it will consult with the Association or any representative. If such consultation does not resolve the CCSNH's objections, the material in question shall be promptly removed from the bulletin board by the Association. The matter will then be immediately referred to the grievance procedure for resolution. Where the Association posts material on bulletin boards in violation of this Agreement, the CCSNH may require advance approval of all future material to be posted.

4.1.3 The CCSNH agrees to allow the Association, CCSNH Stewards, and Chapter Officers and the covered employees to utilize its messenger mail service and electronic mail system(s) for the duration of this Agreement for internal Association business, provided that said mailings are clearly identified as the business of the Association and that such use of the electronic mail system(s) is conducted in accordance with the CCSNH computer use policies and procedures.

4.1.4 Covered employees shall be provided a new employee orientation within thirty (30) calendar days of hire. The CCSNH shall inform covered employees that the Association is the exclusive representative of all covered employees and provide information on all benefit programs provided by the CCSNH. The Association shall be allowed to make a presentation at orientations offered by the CCSNH for new covered employees. The orientation may be presented in written form, by video, in person or by any combination of presentation methods, at the sole discretion of the Association. The presentation may be up to one half hour in duration and shall be conducted by an Association staff person or such other representative, as may be designated by the Association. If an Association representative is unable to attend the orientation, an Association representative shall have access to all new covered employees for up to one half hour at the

convenience of the CCSNH within thirty (30) calendar days following the orientation. The CCSNH agrees to distribute informational packets provided by the Association to new covered employees.

4.1.5 The CCSNH agrees to provide payroll deduction information to the Association on a mutually agreed upon format at least biweekly for the administration of dues deductions and Association programs. In addition, the CCSNH shall notify the Association of all newly hired covered employees, the names and business addresses of all covered employees, and employees who have terminated employment at least monthly on a computer disk, or other mutually agreed format. These reports shall include, at least, the following:

- employee's name
- employee's home address for Association members only
- employee's work e-mail address, if applicable
- employee's CCSNH identification number
- employee's payroll number
- employee's labor grade and step
- employee's salary schedule
- employee's business address
- employee's job classification
- employee's date of employment

4.1.6 The Association shall provide a written notice to the CCSNH that is suitable for inclusion in the "check message" on employee paychecks/advices that informs covered employees that the Association is the exclusive bargaining representative and therefore requires access to the covered employee for Association correspondence. The CCSNH agrees to place the message on employee paychecks/advices quarterly at the request of the Association.

4.1.7 CCSNH shall permit the Association to post meeting notices on the College's weekly or monthly calendars.

4.1.8 Access to CCSNH Intranet Website: The CCSNH agrees to provide the Association access to the CCSNH intranet website, on a read-only basis. Such access shall be provided to the Association in a manner that preserves the security and integrity of the CCSNH system.

4.2 *Association Business*

4.2.1 The internal business of the Association shall be conducted by covered employees in a manner so that it does not interfere with the employee's responsibilities.

4.2.2 Covered employees as individuals and employee representatives of the Association shall be permitted to participate in conferences or meetings with a representative of the CCSNH regarding grievance step meetings or consultation meetings under this Article or Article VII with adequate release time and no loss of pay or other penalties. Such meetings shall be scheduled at times which shall not unreasonably interfere with the operations of the CCSNH or its colleges.

4.2.3 Association staff persons shall be allowed to visit work areas of employees during working hours and confer on conditions of employment to the extent that such visitations do not disrupt the work activities of the area being visited. Prior to entering the work area, the representative shall receive permission from the appropriate College President or designee(s) stating the reason(s) for such visitations. Permission shall not be unreasonably denied.

4.2.4 The CCSNH shall grant such covered employees as may be designated by the Association a cumulative total of twelve (12) days off per contract year without loss of time or pay for the purpose of attending meetings, conventions, conferences, or training sessions relative to labor relations or Association affiliations. Time off shall be limited to two (2) days per Association designee for each such request. All requests shall be submitted to, and approved by, the CCSNH Director of Human Resources for timely notification to the appropriate college that the leave has been approved and shall be awarded.

4.2.5 The CCSNH shall grant five (5) working days of union leave for two (2) duly elected representatives of the Association to attend the quinquennial (every 5 years) convention of the International Brotherhood of Electrical Workers. The Association shall provide the CCSNH with not less than sixty (60) days notice of the dates for this leave and the name of the selected representative. The CCSNH shall not be responsible for any travel or other costs and shall bear no liability, including workers' compensation, for any covered employee associated with participation in this event.

4.2.6 The CCSNH shall approve reasonable preparation time for negotiations, not to exceed one day per week until a new collective bargaining agreement is tentatively agreed upon, for up to seven (7) members of the Association's CCSNH bargaining team. All preparation time and negotiation time shall be without loss of accrued leave time or regular pay to any covered employee. Preparation sessions shall not commence before September 1st prior to the expiration of this Agreement. Reasonable accommodations to work schedules shall be made for each of the members of the Association bargaining team. During negotiations, bargaining team members shall, unless upon mutual agreement, have their bargaining team role considered as part of their non-instructional responsibilities within Institutional/CCS/Student/Community Service.

4.2.7 Board of Director's Leave: The CCSNH shall authorize up to forty-eight (48) hours per year for one person without loss of time or regular pay for a director and/or officer of the Board of Directors for the New Hampshire Higher Education Union, IBEW Local 2320, for the purpose of attending meetings of the Board of Directors. The employee shall give a seven (7) calendar days notice for use of such leave.

4.2.8 President's Leave: The CCSNH shall authorize a leave of absence with pay for the President of the New Hampshire Higher Education Union, IBEW Local 2320. The leave of absence with pay shall be taken for a two-year period beginning two (2) weeks after written notice by the Association to the Chancellor and the Director of Human Resources.

During such leave of absence with pay, the President shall continue to receive and retain all of his/her wages, rights, benefits, and seniority as a CCSNH employee except that all leave accumulation shall be frozen for the duration of the leave of absence. Upon returning from the leave of absence, the President shall resume earning leave at the rates appropriate to his/her service at the time of return. The CCSNH agrees that there shall be no action taken with respect to the President or the President's CCSNH position prior to or following his/her return from the leave of absence because of his/her legal union activities.

The Association agrees to reimburse the CCSNH for the full cost of the wages and benefits for the President, and to indemnify the CCSNH against any and all liabilities associated with the leave of absence, including but not limited to workers' compensation.

4.3 *Use of Facilities*

4.3.1 The Association shall be allowed the reasonable use of the CCSNH facilities for meetings, functions, or activities directly related to its position as the recognized representative for CCSNH covered employees without charge. The use of CCSNH facilities shall be subject to the following conditions:

- a. Such CCSNH facilities are available and their use for such meetings would not conflict with the CCSNH's business.
- b. Such approval is granted in advance and shall be subject to such other reasonable conditions as may be imposed by the CCSNH.
- c. Such approval, if given, will be limited to CCSNH covered employees, and Association staff members and guests.
- d. Nothing in this provision shall be construed as a limitation of the rights of the Association, its chapters or committees to utilize the CCSNH's facilities that are otherwise available for public use.
- e. Such approval by the CCSNH will not be unreasonably withheld.

4.3.2 The Association may request use of CCSNH facilities for meetings and functions associated with broader Association activities, not directly related to the CCSNH. Such requests shall be processed in accordance with institutional policies and procedures related to public facility usage by a non-profit and/or tax exempt organization.

4.4 *Association Dues & Agency Fee*

4.4.1 All full-time employees covered by this Agreement shall be required to pay membership dues or an agency fee for the expenses incurred by the Association related to collective bargaining including, but not limited to negotiations and contract administration, in an amount not greater than Association dues. The decision to pay membership dues or an agency fee shall be made by each employee within a bargaining unit within thirty (30) calendar days from the date of hire. Failure of any bargaining unit employee to make such decision shall result in the automatic deduction of the agency fee effective the first pay period following the thirtieth (30th) day of hire. The fee shall not exceed an amount that represents a prorated share of actual cost of negotiating and administering this Collective Bargaining Agreement.

4.4.2 The CCSNH agrees to deduct, in equal installments, the regular annual membership dues or agency fee of the Association from the pay of each full-time covered employee of the bargaining unit, who indicates in writing that he/she wishes such deductions to be made. The Association will provide the CCSNH with the completed payroll deduction authorization form as authorized by the covered employee. Such payroll deductions shall be put into effect as soon as practicable.

4.4.3 The amount to be deducted shall be certified by the Association to the CCSNH. Remittance to the Association shall be made in accordance with the established payroll procedures of the CCSNH. When Association members vote for a change in Association dues which necessitates a modification of payroll deductions and the Association wishes to implement such modification, it shall furnish a certificate evidencing the authorizing vote to the Chancellor, together with a written request for the modification in payroll deductions. The certificate shall be signed and sworn to by the Secretary of the Association with Corporate Seal.

4.4.4 The Association agrees to comply with the New Hampshire and federal law regarding the implementation and notice requirements of agency fees. In doing so, the Association shall inform covered employees of their right to object to the amount of the agency fee and their right to object to the payment of an agency fee to a public employee labor organization based on their religious belief.

4.4.5 The CCSNH shall refuse to enforce the fee requirement if the CCSNH believes that the amount of the fee exceeds the prorated share of the actual cost of negotiating and administering the Collective

Bargaining Agreement. As a remedy, the Association shall file an unfair labor practice charge against the CCSNH for breach of contract.

4.4.6 Membership in the Association shall be continuous. Any change from dues paying membership to agency fee for the next fiscal year must be made by the covered employee during the fifteen (15) calendar day period commencing with the employee's anniversary date of employment. Such requests must be made in writing to the Association and shall be addressed to:

*NH Higher Education Union, IBEW Local 2320
46 Third Street
Manchester, NH 03102*

4.4.7 The Association shall be allowed the use of such payroll deductions as may be necessary for any group program(s) in addition to a dues/fee deduction.

4.4.8 The Association shall hold the CCSNH harmless should any dispute arise between the Association and the CCSNH as a result of the administration of this section.

4.5 *Association Representation*

4.5.1 The CCSNH agrees to recognize seven (7) bargaining unit stewards, which shall consist of one (1) steward at each CCSNH college, as duly authorized by the Association to perform duties on behalf of the Association. Recognized stewards shall serve to represent members within their appointed bargaining unit.

4.5.2 Each steward shall be assigned to a CCSNH college. In the absence of a college's assigned bargaining unit steward and Association representative, a bargaining unit steward may represent members at another CCSNH college. Additionally, upon mutual agreement between the CCSNH Director of Human Resources and the Association, a bargaining unit steward may represent a bargaining unit member at another CCSNH college when such representation is deemed necessary due to reasonable extenuating circumstances.

4.5.3 The Association shall furnish the CCSNH Director of Human Resources with a list of the Stewards representing the CCSNH covered employees by September 1 each year. Updated information pertaining to Steward appointments shall be provided as applicable. The CCSNH agrees there shall be no discrimination against any Steward because of his or her duties as an Association official or member.

4.5.4 The CCSNH shall authorize a reasonable amount of time during the regular working hours without loss of time or pay, and make reasonable adjustments to the Steward's workload, to permit the Steward to carry out his/her responsibilities in accordance with the provisions of this Agreement. The Association agrees that it shall guard against the use of excessive time in handling such responsibilities. Each Steward, before carrying out his/her responsibilities in accordance with the provisions of this Agreement, shall first obtain the consent of his/her immediate supervisor, which shall not be unreasonably withheld. Upon entering a work area other than his/her own, the Steward shall first advise the appropriate supervisor of his/her presence and specify the name(s) of the employee(s) to be contacted.

4.5.5 The CCSNH will not bear any expense, other than with respect to the Steward's time involved during regular duty hours, for the functions of any Steward. The Association shall reimburse the CCSNH for any other expense to the CCSNH incurred as a result of the Steward's function.

4.5.6 The CCSNH shall authorize up to three (3) days off in each contract year, without loss of time or pay for each CCSNH Steward to attend Association training program(s). The Association shall notify the CCSNH not less than twenty-one (21) calendar days in advance of such proposed training program(s).

4.5.7 A covered employee shall be entitled to Association representation at an investigative interview or meeting if requested by the employee when that employee reasonably believes that the interview or meeting may result in disciplinary action against him/her, as set forth in Article XVI. The Association representative's role at an investigative interview or meeting is to consult with the employee. The CCSNH is free to insist upon hearing the employee's own account of the matter(s) under investigation. The Parties agree that in all cases the principles of "Weingarten", "Garrity", and "Loudermill" and other applicable case law shall be observed.

4.5.8 Whenever a Steward reasonably believes that he/she is a witness or material participant in a grievance procedure, another bargaining unit Steward shall perform the duties of the Steward in that particular grievance.

4.6. The CCSNH shall make available to the Association information needed for collective bargaining with the following stipulations:

4.6.1 All requests will be made in writing to the CCSNH Director of Human Resources.

4.6.2 Such information will be made available within reasonable time frames, normally within twenty-one (21) calendar days of said request. Requests requiring special programming or summary work may exceed the twenty-one (21) calendar day standard.

4.6.3 The CCSNH will not be responsible for reformatting data already publicly available.

4.6.4 The Association shall pay for copying costs when requested by the CCSNH.

4.6.5 This process is to be used only for requests for information needed for collective bargaining and is not intended to abrogate the right of the Association or the covered employees to make requests for information pursuant the RSA 91-A, the NH Right to Know Law.

Article V

CONSULTATION and LABOR MANAGEMENT COMMITTEE

5.1 It is agreed and understood that policies and procedures related to terms or conditions of employment are appropriate matters for consultation between the Parties, providing however, that neither Party waives or relinquishes their right to negotiate mandatory subjects of collective bargaining, and providing further that the Parties may mutually agree to discuss any subject matter not otherwise addressed by a Labor Management Committee as described in subsection 5.3 below.

5.2 A request for consultation may be submitted by either Party in writing, stating the reason for the meeting and the agenda or topic of consultation. Consultation requests by the Association shall be made to the Chancellor or to the appropriate College President by either the President or designee of the Association. Consultation requests by the CCSNH shall be made to the President of the Association.

5.2.1 A mutually agreeable meeting date shall be established providing that such date shall be within twenty-one (21) calendar days of receipt of the written notice. The time limit may be extended by mutual agreement.

5.2.2 An Association full-time faculty member shall represent the bargaining unit alone, or with not more than seven (7) employees of the bargaining unit. The Association will state the names and work areas of the covered employees, if any, who are to attend the meeting. Representatives of the CCSNH shall meet with the Association representatives. The CCSNH Director of Human Resources will attend such consultations whenever feasible providing that his/her attendance may be specifically requested and complied with by notice of either the Association or the CCSNH.

5.3 The Parties agree to establish a CCSNH Labor Management Committee consisting of not more than eight (8) representatives of the CCSNH management team, one of whom shall be the Director of Human Resources, and not more than eight (8) representatives as designated by the Association, one of whom shall be a NHHEU staff member. The purpose of the Committee shall be to ensure the application, clarification, and administration of this Agreement. The Committee shall meet as frequently as may be necessary to carry out its purpose and responsibilities as set forth in this Agreement. The Committee shall have the authority to issue interpretive bulletins to that end.

5.4 The Parties agree that fostering open communication about workplace matters relating to the employment relationship is desirable. Therefore, notwithstanding Article 3.1 of this agreement, the Chancellor and each College President through an appropriate administrative structure shall effectively manage his/her institution so as to fulfill its purposes and objectives and establish the means to assess and promote institutional effectiveness. Each college and the System Office shall establish and maintain institutional mechanisms and procedures that include consultation with faculty, staff, and administrators, and are appropriately responsive to their concerns, needs, and initiatives.

Article VI

ACADEMIC FREEDOM & PROFESSIONAL RESPONSIBILITY

6.1 The CCSNH and the Association endorse the principles and standards of academic freedom and academic responsibilities, professionalism, and freedom of expression generally and traditionally accepted in public institutions of higher education. Therefore, as an academic community committed to teaching and service excellence, the CCSNH fosters a professional atmosphere that promotes the highest standards of professional conduct and integrity. To ensure students within the CCSNH are provided with a quality education and services, it is expected that faculty are aware of and comply with their professional duties and responsibilities to demonstrate the highest standards of professional behavior; to exercise professional judgment; to perform official duties effectively, efficiently, and with honesty, integrity, and fairness; to be conscious of the need for the equitable treatment of all students; and to use institutional resources economically.

6.2 Freedom of Expression

6.2.1 Progress on addressing matters of concern within an academic community requires the free and open exchange of ideas, approaches, and points of view. Accordingly, the CCSNH is committed to an environment in which free expression is the right of every member of the college community. It is likewise essential that such expressions of points of view be conducted in a climate of mutual respect, with due regard for the rights of others and in a responsible manner that prevents disruption and permits the efficient and effective operations of the CCSNH.

6.2.2 In his/her role as a citizen, every member of the CCSNH community has the same freedoms as other citizens. However, in his/her external communications he/she has an obligation to make every effort to indicate that he/she is not an institutional spokesperson. Nothing herein shall be

construed as an abridgement of the rights guaranteed to every member of the CCSNH community by the constitutions of the United States, or the State of New Hampshire.

6.3 *Academic Freedom*

6.3.1 The Parties agree to promote public understanding and support of academic freedom. Institutions of higher education are conducted for the common good and not to further the interest of either the individual covered faculty member or the institution as a whole. The common good depends upon the free search for truth and its free exposition. Academic freedom is essential to these purposes and applies to both teaching and research.

6.3.2 Academic freedom is the right of scholars and teachers in institutions of higher education to freely study, discuss, investigate, teach, exhibit, perform and publish. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning.

6.3.3 The faculty member is entitled to full freedom in research and in the exhibition, performance and publication of the results of the faculty member's research, to full freedom in the classroom in discussing the faculty member's subject, and, most specifically, in the selection of the faculty member's classroom materials including the selection of texts (unless the text is prescribed by mutual agreement of the faculty of a department). The faculty member is entitled to discuss controversial issues. As both a faculty member and scholar, the faculty member recognizes the professional obligation to present various scholarly opinions and to avoid presenting totally unrelated materials, that being fundamental to the advancement of truth.

6.3.4 A faculty member has the right to pursue work or other activities outside the College, provided such work or activities do not interfere with the discharge of the faculty member's duties and responsibilities.

6.4 *Academic Responsibilities*

6.4.1 Academic freedom carries with it correlative responsibilities. The faculty member has the responsibility to the faculty member's colleagues and the College community to preserve intellectual honesty in the faculty member's teaching and research. The faculty member respects the free inquiry of the faculty member's associates and avoids interference in their work.

6.4.2 The college faculty member is a citizen and a member of a learned profession affiliated with an educational institution. When the faculty member speaks or writes as a citizen, the faculty member should be free from institutional censorship or discipline. As a person of learning, affiliated with an educational institution, the faculty member should remember that the public may judge the faculty member's profession and the faculty member's utterances. Hence, the faculty member should at all times be accurate, should exercise appropriate restraint, should show respect for the opinion of others, and should make every effort to indicate when the faculty member is not an institutional spokesperson. Institutions of higher education are committed to the search for truth and knowledge and to contributing to the solution of problems and controversies by the method of rational discussion.

Article VII
GRIEVANCE AND ARBITRATION PROCEDURES

7.1 The parties agree that the orderly process hereafter set forth shall be the method for resolving grievances and disputes arising with respect to the interpretation or application of any provision of this Agreement and deliberations regarding employee discipline shall be pursued in a confidential manner. It is the objective of the parties to encourage and facilitate the prompt and equitable resolution of grievances and to attempt to do so at the lowest possible level. No member of the bargaining unit shall be subject to reprisal for using the Grievance Procedure or for participating in the resolution of a grievance.

7.2 General Provisions

7.2.1 A “grievance” is any dispute or difference concerning the interpretation, application, or alleged violation of an Article of this Agreement.

7.2.2 A grievance shall be filed within twenty-one (21) calendar days from the time the grievant knew or should have known of the alleged violation. A grievance is considered to be formally filed when it is submitted to Step One, or other appropriate Step, of this procedure.

7.2.3 A grievance may be initiated by a covered employee or a group of covered employees of the bargaining unit, by the Association, or by the CCSNH.

7.2.4 The Association shall have the right to file a grievance involving a management action which affects Association members and is alleged to be a violation of the Agreement. A grievance initiated by the Association shall be filed directly with the Chancellor and shall be considered a Step III appeal.

7.2.7 Failure on the part of the CCSNH to comply with the time limit requirements of this Article shall elevate a grievance to the next step unless the Parties have agreed to extend the time limit requirement.

7.2.8 The time limits prescribed in this article may be extended by mutual agreement between the grievant and the CCSNH. In the event that a time limit expires on a Saturday, Sunday, or holiday, such time limit shall be extended to the next regular business day.

7.2.9 A Grievant may withdraw his or her grievance at any point in this procedure.

7.2.10 A Steward may assist a grievant in processing a grievance. In so doing, the Steward shall be given the opportunity to discuss the matter with the grievant and such other employees who may have information bearing on the matter, prior to presenting the grievance. A staff person or representative of the Association may substitute in the place of or participate in addition to any Steward in this procedure.

7.2.11 Grievances shall be investigated and handled to minimize interference with the regular work schedule(s) and institutional operations.

7.2.12 Any resolution of a grievance shall not be inconsistent with the terms of the Agreement.

7.2.13 No grievance resolved through the informal process shall constitute a precedent for any purpose unless agreed to in writing by the CCSNH and the Association.

7.2.14 Nothing in this Article shall be construed as an abrogation of the right of any covered employee to present a grievance without the intervention of the exclusive representative in accordance with RSA 273-A:11(a).

7.3 *Grievance Procedure - Informal Stage*

7.3.1 It is expected that a covered employee shall attempt to resolve the concern expeditiously by discussing the disputed matter in an informed and informal manner with the parties directly involved.

7.4 *Grievance Procedure – Formal Stage*

7.4.1 Step One – Grievant and Vice-President of Academic Affairs

a. If the problem is not resolved during the informal stage and the employee and/or the Association feels further review is justified, a formal written grievance may be submitted to the Vice-President of Academic Affairs having administrative responsibility for the Grievant. The written submission shall include a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been allegedly violated and the remedy sought. It shall also include any documents supporting the complaint.

b. The formal grievance shall be filed within twenty-one (21) calendar days from the time the Grievant knew or should have known of the alleged violation.

c. The Vice-President of Academic Affairs shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Such meeting shall be scheduled within twenty-one (21) calendar days from the date of filing of the Step One grievance.

d. The Vice-President of Academic Affairs shall notify the grievant or his/her representative and his/her immediate supervisor in writing of the decision reached within twenty-one (21) calendar days after the meeting.

e. If the parties are able to resolve the grievance, then the terms of the resolution, including any remedy agreed upon, will be implemented promptly and in good faith by all parties.

7.4.2 Step Two – Grievant and College President

a. If, subsequent to the receipt of the Vice-President of Academic Affairs' decision, the Grievant and/or the Association feels further review is justified, a formal written grievance may be submitted to the College President, or his/her designee, within twenty-one (21) calendar days from the date of the written decision rendered in Step One. The written submission shall include a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been

allegedly violated and the remedy sought. It shall also include any documents supporting the complaint and the decision(s) rendered through the grievance proceedings.

b. The College President shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Such meeting shall be scheduled within twenty-one (21) calendar days from the date of filing of the Step Two grievance.

c. The College President shall notify the employee or his/her representative and his/her Vice-President of Academic Affairs in writing of the decision reached within twenty-one (21) calendar days after the meeting,

d. If the parties are able to resolve the grievance, then the terms of the resolution, including any remedy agreed upon, will be implemented promptly and in good faith by all parties.

7.4.3 Step Three – Grievant and Chancellor or Designee

a. If, subsequent to the receipt of the decision rendered in Step Two, the Grievant and/or the Association feels that further review is justified, a formal written grievance may be submitted to the CCSNH Chancellor or his/her designee within twenty-one (21) calendar days from the date of the written decision. The written submission shall include a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been allegedly violated and the remedy sought. It shall also include any documents supporting the complaint and the decision(s) rendered through the grievance proceedings.

b. The Chancellor or his/her designee shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Absent exigent circumstances, such meeting shall be scheduled within twenty-one (21) calendar days from the date of filing of the Step Three grievance.

c. The Chancellor or his/her designee shall notify the Association, the Grievant and the College President in writing of the decision reached and reasons therefore within twenty-one (21) calendar days after the meeting.

7.5 Arbitration Procedure

7.5.1 Any grievance arising out of the interpretation, application, or alleged violation of this Agreement which has not been satisfactorily adjusted under the grievance procedure may be submitted for arbitration by the Association within forty-five (45) calendar days of the Chancellor's/designee's decision.

7.5.2 Arbitration shall be conducted by an external, qualified arbitrator, mutually agreed to by the CCSNH and the Association, pursuant to the rules of the American Arbitration Association (AAA). The procedure for the selection of the arbitrator will be as follows:

a. The CCSNH and Association shall communicate promptly to choose the arbitrator no later than twenty-one (21) calendar days from the date of the demand for arbitration. If a mutually agreed upon selection cannot be made within such twenty-one (21) day period, then either party may request a list from the American Arbitration Association and selection shall be made in accordance with the rules of the American Arbitration Association.

b. The Arbitrator shall have no power to add to, subtract from, modify, or disregard any of the provisions of this Agreement. The arbitrator shall have the authority to frame the question(s) submitted for arbitration, to make an award, and to fashion the appropriate remedy. In the event the question before the Arbitrator is the arbitrability of the asserted grievance, the arbitrator shall first decide that issue and determine whether to hear the substance of the case. The arbitrator shall not be automatically disqualified from hearing the substance of the case by reason of determining arbitrability.

c. Each party shall bear the expense of its witnesses and for preparing and presenting its own case. The compensation and expenses of the arbitration and the arbitrator shall be assessed by the AAA and the arbitrator and shall be shared equally by the CCSNH and Association.

7.5.3 The CCSNH, the Association, and the grievant agree to abide by the decision of the arbitrator, which is final and binding on all parties. The CCSNH and the Association, however, retain rights to challenge the decision of the arbitrator, as provided for by law. Such appeals shall be filed to the Superior Court within forty-five (45) calendar days from the date of the written notice of the arbitrator's decision. In the event that an appeal is made to the Superior Court, the provisions of RSA 542, as amended, shall apply.

7.5.4 Unless otherwise mutually agreed, each arbitration hearing shall deal with not more than one grievance.

Article VIII **WORK YEAR AND SCHEDULES**

The work periods defined below designate the time span within which the obligations of the positions covered by this Agreement are to be carried out to provide services that meet the CCSNH's mission and objectives.

8.1 Faculty

8.1.1 Faculty assigned to 12 month appointments shall work year round, with due allowances for authorized holidays and use of accrued leave.

8.1.2. Faculty assigned to 10 month appointments shall be assigned to an academic year which shall commence no more than two weeks before the start of the Fall semester classes and end no later than May 31, with due allowances for semester breaks, authorized holidays, and use of accrued leave.

Article IX **PROBATIONARY PERIOD and FACULTY INITIAL APPOINTMENT**

9.1 The probationary period shall be considered an integral part of the process of appointment for full-time faculty. The probationary period will be utilized to train and evaluate the faculty member's effective adjustment to professional responsibilities, instructional and non-instructional duties, conduct, observance of rules, and attendance.

9.2 Any full-time faculty member hired into the bargaining unit on or after the signing of this Agreement must successfully complete a probationary period and/or appointment period as indicated in this Article. The probationary periods for new hires, rehires, promotions, and voluntary transfers are established as follows:

9.2.1 All full-time faculty shall be subject to a twelve (12) month contiguous probationary period commencing upon the date of hire.

9.2.1.a At the successful conclusion of the designated probationary period, a full-time faculty member shall be appointed to an initial term of one (1) year. CCSNH may dismiss or non-renew a faculty member during the initial one (1) year term appointment, provided such action is not arbitrary or capricious. Notification of non-renewal shall be provided by May 15 for faculty appointments commencing in the summer or fall semester and by November 15 for faculty appointments commencing in the spring semester.

9.2.1.b Notwithstanding any rule to the contrary, exceptions to the initial one (1) year appointment may be considered in extraordinary circumstances due to exemplary teaching effectiveness. Requests for regular appointment at the end of the faculty member's probationary period may be submitted in writing by the College President to the Chancellor for final determination.

9.2.2 A full-time probationary faculty member who voluntarily applies for a vacant position prior to the completion of his/her probationary period shall be required to begin a new probationary period for the new position.

9.2.3 A full-time probationary faculty member who is involuntarily transferred to a vacant position within his/her current college shall be not required to begin a new probationary period.

9.3 Any interruption of employment during the probationary period shall not be counted toward accumulation of required time of the probationary period unless otherwise required by law.

9.4 At any time during the probationary period an employee may resign without prejudice or an employee may be discharged without cause. An employee who is disciplined or discharged during the probationary period shall not have recourse through the grievance or arbitration provisions of this Agreement.

Article X ***FACULTY WORKLOAD***

Faculty Workload Preamble

Faculty workload is a balance of instructional and non-instructional responsibilities. The general workload responsibilities of full-time faculty include teaching and learning, academic contributions to a department and/or the college, service to students, service to the college, CCSNH, and external community, and professional growth and development. The intent of this article is to establish workload boundaries and guidelines and to ensure equitable treatment of faculty across all CCSNH colleges. Workload is calculated over an academic year to allow faculty and the CCSNH maximum flexibility.

10.1 *Definitions*

10.1.1 Contact Hour: Fifty (50) minutes of instruction per week for the period of an academic semester (or its equivalent), including lecture, seminars and labs. Courses offered in alternative formats (online courses, e.g.) will be assigned the same contact hours as allotted to the course when offered in a conventional face-to-face delivery mode.

10.1.2 Clinic: Direct, continuous, and on-going supervision and education in a designated site.

10.1.3 Co-ops/Internships/Practica/Field Experiences: Indirect, periodic, and ongoing educational oversight of students in a designated site.

10.1.4 Instructional: Those activities focused on teaching and learning responsibilities. These would include but are not limited to, instructional preparation, teaching, grading, assisting students, advising, tutoring, maintaining accessibility and availability to assist students outside of the classroom/lab/clinic, curriculum/program development, and contributing to the academic infrastructure (college, department and program).

10.1.5 Non-instructional: Those activities which take place outside of teaching and classroom responsibilities. These would include but are not limited to responsibilities that support the institution and CCSNH in achieving its goals such as serving on committees, mentoring, recruiting and retention activities, supporting program review, accreditation, and administrative functions, serving as an advisor to student activities/organizations, participating in student sponsored functions, and engaging in external relations/activities, and professional development activities.

10.1.6 Assigned Overload: An assigned overload consists of contact hours assigned by management to a full-time faculty appointment in excess of the maximum contact hour range for the academic year (36). Upon verification of an overload status for the academic year, payment shall be rendered in accordance with the overload faculty pay schedule and will be paid during the spring semester of the designated academic year.

10.1.7 Faculty Elected Overload: Faculty elected overload consists of contact hours that a full-time faculty member voluntarily elects to teach in excess of his/her assigned instructional load for the designated semester. Faculty elected overload may not exceed the contact hour limits set forth in Article 10.3.5 of this Agreement.

10.2 *Calendar for Academic Year Faculty*

10.2.1 Under the common academic calendar for the CCSNH, full-time faculty will begin no more than two weeks before the start of the Fall semester classes and will end their responsibility on the last day of the Fall semester. Effective the Spring 2019 semester, faculty will return for the Spring semester no earlier than thirteen (13) calendar days before the start of Spring semester classes and will end their responsibility one week after the last day of the Spring semester, or not later than May 31. The last day of a semester shall be designated as the day on which grades are due. The start and end of the Summer term shall be determined by each college.

10.2.2 At the discretion of the College, a faculty member may work a schedule that substitutes the Summer term for either the Fall or Spring semester, provided that the Summer commitment is equivalent in instructional and non-instructional responsibilities to the semester it replaces.

10.2.3 Faculty are responsible for submitting grades on the date designated at the conclusion of each semester.

10.2.4 Attendance at Commencement and commencement activities is required, even if the date falls on a day outside of the calendar as defined in 10.2.1 above. Exceptions to this provision may be made by the President of the college for emergencies and extenuating circumstances.

10.2.5 Attendance at Open House(s), Orientation(s) and/or Registration(s) shall be required, as deemed appropriate by the Vice-President of Academic Affairs, in consultation with the designated Academic Department Chair. Consideration shall be given to faculty for emergencies and extenuating circumstances.

10.3 The general full-time faculty workload consists of instructional and non-instructional responsibilities identified in three areas, with the most significant of those focused on teaching and learning. Faculty workload assignments are the responsibility of the Vice-President of Academic Affairs, in consultation with the Academic Department Chair and the faculty member. Faculty workload assignments may vary to accommodate college, departmental, and/or programmatic goals, objectives and priorities, enrollment demands, student needs, and/or other circumstances. The specific faculty workload areas include but are not limited to:

- Instructional/Teaching & Learning (70% - 85%) - Includes workload responsibilities associated with instructional methodologies and serving students such as: teaching, planning, evaluating, tutoring, advising, assisting students, curriculum/program development, academic contributions, and availability and access for students.
- Institutional/CCS/Student/Community Service (10% - 30%) - Includes responsibilities that support the institution and CCSNH in achieving its goals such as serving on committees, mentoring, recruiting and retention activities, supporting program review, accreditation, and administrative functions, serving as an advisor to student activities/organizations, participating in student sponsored functions, and engaging in external relations/activities.
- Professional Growth and Development (up to 5%) - Includes workload responsibilities associated with maintaining currency in one's teaching discipline, maintaining industry-specific licensures and/or professional certifications and addressing growth and change such as participating in development activities contributing to one's profession.

10.3.1 All full-time faculty will be assigned to teach, in either traditional or non-traditional learning modes, 15-18 contact hours each semester, or its equivalent in a pro-rated semester format, for a total of 30-36 contact hours for the Fall and Spring semesters. However, see also 10.2.2 above for substitution of Summer for Fall or Spring semester.

10.3.2 Full-time faculty shall be assigned no more than three (3) preparations per academic semester. Faculty members may be assigned additional preparations in order to achieve the contact hour load as designated in 10.3.1. In a lecture/lab course, the lecture and lab will be treated as one and one half (1.5) preparations when an instructor teaches the lecture and the lab for the designated course. If an instructor teaches the lecture only or the lab only, in conjunction with another instructor, each will be treated as a separate preparation. A faculty member with high numbers of preps (by usual department standards) may request teaching at the lower end of the contact hour range. Final decisions on the above will rest with the Vice-President of Academic Affairs.

10.3.3 The following standards will apply in defining a contact hour:

Instructional Mode	Contact Hour Formula
Lecture	1 lecture contact hour = 1 contact hour
Laboratory	1 laboratory contact hour = 1 contact hour
Seminar	1 seminar contact hour = 1 contact hour
Studio	1 studio contact hour = 1 contact hour
Clinical	1 clinical contact hour = 1 contact hour
Practicum	0.5 contact hour per student supervised. Associated seminar hours and other forms of formal instruction will carry no contact hours. The Vice-President of Academic Affairs, in consultation with the designated Department Chair and faculty member, may increase the 0.5 contact hour rate based upon the practicum workload.
Internship/Co-op	0.3 contact hour per student monitored. Associated seminar hours and other forms of formal instruction will carry no contact hours. The Vice-President of Academic Affairs, in consultation with the designated Department Chair and faculty member, may increase the 0.3 contact hour based upon the internship/co-op workload.
Online Course	Contact hours normally allocated for face to face instruction in same course
Shared Courses	Percentage of contact hours allocated to each instructor, as appropriate.

10.3.4 Based upon student load, including the number of assigned advisees, an adjustment to the faculty instructional workload may be made by the Vice President of Academic Affairs, in consultation with the designated Department Chair, and faculty member. A faculty member may be required to teach at the top of the contact hour range to adjust for low student numbers (by usual departmental standards). Conversely, a faculty member with high numbers of students (by usual departmental standards) may request teaching at the lower end of the range. Final decisions on the above will rest with the Vice President of Academic Affairs.

10.3.5 A full-time faculty member may not teach as faculty elected overload in excess of nine (9) contact hours per semester over and above the assigned instructional load for that semester. A Department Chair or Program Coordinator may not teach as faculty elected overload in excess of six (6) contact hours per semester over and above the assigned instructional load for that semester. Exceptions to the above may be granted by the VPAA at the request of the Department Chair if in the best interests of the Department.

10.3.6 With the approval of the VPAA, a faculty member may teach fewer than the minimum fifteen (15) contact hours in the Fall semester, if the faculty member is scheduled to make up those hours in the subsequent Spring semester. Conversely, with the approval of the VPAA, a faculty member may teach fewer than the minimum fifteen (15) contact hours in the Spring or Summer semester if the faculty member has compensated for that underload with additional contact hours in the previous Fall semester.

10.3.7 Faculty may receive a temporary reduction in instructional workload for special college or departmental projects at the discretion of the college President or his/her designee.

10.3.8 Each CCSNH college shall issue a letter no later than May 15 each year to each full-time faculty member stating the instructional assignments for the subsequent Fall semester and the continuing non-instructional responsibilities for the subsequent academic year. Likewise, the college shall issue a letter no later than November 15 each year to each full-time faculty member stating the instructional assignments for the subsequent Spring semester. In each case, the letter shall state the course and numbers of sections expected to be taught in the following academic semester. In the event that circumstances dictate a change of instructional assignments, the college shall notify the instructor, in writing, of all changes as soon as possible. Full-time faculty shall be notified in writing of new non-instructional assignments at the start of the semester.

10.3.9 Each CCSNH college agrees to assign instructional assignments, including overload assignments, to faculty on an equitable basis, taking into consideration the qualifications of faculty members in each academic department and the possible reduced instructional load for the Department Chair. Therefore to the extent possible all faculty within the academic department will have the same or nearly the same instructional workload.

10.3.10 Full-time faculty are expected to be available and accessible to students to support student learning through assisting and advising students. This interaction may occur during faculty office hours, or it may take place via telephone, email, electronic chats, on-site meetings, video teleconference or other methods. Appropriate interaction for a course may be influenced by the course delivery mode and the technology used by the faculty. Faculty are expected to maintain availability hours that are reasonable and convenient so as to provide effective and regular access for students. Hours of availability, office location, instructor phone number, and email shall be established for the designated semester and be publicized to students through the course handout/syllabus, posted in a place accessible to students, and provided to their Department Chair and the college's Office of Academic Affairs.

10.4 Faculty Non-Instructional/Service Workload is critical to the education of students outside of formal instruction and to services that the college provides to the local community, students and CCSNH. The VPAA, in consultation with the Department Chair and the faculty member, will determine a reasonable non-instructional workload. The following non-instructional/service responsibilities include but are not limited to:

10.4.1 Service to the Department, College, Students, or System, which includes, but is not limited to:

- a. Assigning mentoring (e.g., adjunct faculty);

10.4.2 Professional Development: Professional development activities as proposed by the faculty member, Department Chair, or VPAA and approved by the VPAA (see also Faculty Evaluation) which may include but are not limited to:

- a. Related graduate study;
- b. Related in-service training;
- c. Research and other college recognized contributions to a faculty member's area of competence;
- d. Participating in college recognized professions associations, including teachers' organizations.

- f. Participating as a member of an accreditation visiting team;
- g. Participating as a member of a professional board or advisory board;
- h. Participating in departmental or institutional self-studies.

10.4.3 Based upon an excessive non-instructional workload, the Vice President of Academic Affairs, in consultation with the designated Department Chair and faculty member, may make an adjustment to a faculty member's non-instructional or instructional workload. The final decision will rest with the Vice President of Academic Affairs.

10.4.4 Each college will attempt to balance non-instructional responsibilities for all faculty members across the college.

10.5 It is recognized that given the diverse nature of faculty work and the needs of academic departments and college, the particulars of individual work assignments will vary both between and within academic departments. A faculty member may request a review of his/her assigned workload prior to the start of an academic semester. Such request must be submitted in writing to the designated Department Chair and Vice-President of Academic Affairs and include the reason(s) for the review and the requested workload modification. The final decision will rest with the Vice President of Academic

Affairs and the reasons supporting the decision will be provided in writing to the requesting faculty member within twenty-one (21) calendar days of the request submission. If a faculty member's workload is changed after the start of the semester pursuant to Article 10.3.8, then the faculty member retains the right to request review of his/her assigned workload under this provision at that time.

10.6 A faculty member may grieve his/her assigned workload on the grounds that the Vice President of Academic Affairs has acted without a reasonable basis in fact regarding the application or non-application of the instructional and non-instructional provisions set forth in this Section. Such a grievance may be filed at Step Two of the grievance procedure of this Agreement.

13.4 In accordance with federal law, a full-time employee who is called to active military duty, who has exhausted all paid military leave and is not in a paid leave status, shall retain his/her original seniority date throughout the military leave of absences as required by law, even though the employee is on a leave without pay status.

considered and acted upon for such vacancy before non-covered employees or individuals not currently employed within the CCSNH are considered.

14.4 If a covered employee is not selected after applying for a vacant covered position within the full-time faculty and staff bargaining units, the CCSNH hiring authority shall provide written notice to the covered employee applicant regarding the final action taken and the rationale for such non-selection.

14.5 It is expressly understood by both parties that the CCSNH retains the right to determine the general requirements for all covered positions and to appoint those candidates who best match the qualifications and job requirements of the position.

14.6 Each CCSNH institution reserves the right to fill a vacant covered position through the transfer of a qualified employee assigned to the same class title as the vacant position. 14.8 No covered faculty member shall be reduced in faculty rank or classification, lose time in service, or suffer a reduction in rate of pay/salary for the same or similar duties or work schedule as a result of a transfer under Section 14.6 and 14.7.

14.9 In lieu of transfer, a covered faculty member shall have the right to request consideration for appointment to a vacant full-time faculty position having an equal or lower faculty rank provided the covered faculty member meets the educational and experience qualifications and licensure/certification requirements, where appropriate, of the teaching discipline for the vacant full-time faculty position. Such a request shall not be unreasonably denied. Refusal to accept a transfer under Section 14.6 or 14.7 above shall be deemed a layoff.

14.10 The vacancy and transfer options contained in the Article shall not be used to circumvent faculty rank and the faculty promotion process.

Article XV ***REDUCTION IN FORCE***

Retrenchment may occur as a result of budget reductions or financial considerations, program changes or curtailment, position elimination or consolidation, planned organizational changes, regulatory changes, or grant or external funding non-renewals or losses.

15.2 *Grant or Externally Funded Positions*

15.2.1 Covered employees who are in positions funded, in whole or in part, by grants or other external funding sources may be subject to immediate layoff if such funding ceases. Seniority shall not apply for grant-funded or other externally funded positions for the purpose of layoff and its procedures, except as specified in Article 13.6 of this Agreement.

The Chancellor or College President shall determine the positions to be affected within his/her institution.

15.3.2 A CCSNH institution may lay off a covered employee when such layoff becomes necessary due to (a) position abolishment; (b) change in organization; (c) decline in workload; (d) insufficient funding; (e) regulatory changes; or other such reasons.

15.4 *Procedure for Layoff:*

15.4.2 No full-time covered faculty member shall be laid off when the needs giving rise to the reduction in force can be met by the termination of full-time faculty in temporary fill-in, probationary, or initial appointments holding an equal or lesser faculty rank and teaching in the same academic discipline within the affected academic department of the CCSNH institution.

15.4.3 Prior to a CCSNH institution's layoff of a full-time covered faculty, the institution shall attempt to reassign a full-time covered faculty member into a vacant covered faculty position within the institution provided that the reassignment does not result in a promotion or higher salary grade; that the reassignment does not result in more than a four(4) labor/salary grade reduction; and that the faculty member being reassigned qualifies for the vacant position based on education, experience, ability, and performance. Refusal to accept such reassignment in lieu of layoff shall be deemed a voluntary layoff. Voluntary layoffs shall be deemed ineligible for bumping privileges

due to the employee's refusal to accept the reassignment. An institution's inability to effectuate a reassignment in lieu of layoff based on the aforementioned provisions shall result in the layoff of a full-time covered faculty member pursuant to Article 15.4.4 of this Agreement.

15.4.4 Upon notification of layoff a full-time covered faculty member hired on or before December 31, 2010 with ten (10) or more years of continuous service may bump another full-time covered faculty within the same CCSNH institution from which the employee is being laid off as long as the covered faculty member exercising the bumping privileges has more seniority than the covered faculty member being bumped and has an equal or greater faculty rank. Full-time covered employees hired on or after January 1, 2011 shall not be entitled to bumping privileges.

- a. The covered faculty member exercising his/her bumping privileges shall only be allowed to bump into a covered full-time faculty position having an equal or lower faculty rank than the full-time faculty position from which he/she is being laid off.

The employee shall be informed in writing when the investigation is complete and of the determination of the investigation. Investigations shall normally be conducted in a confidential manner. 16.6.3 At the time of the suspension, the CCSNH shall issue a written notice of the investigative suspension to the employee describing 1) the cause of the suspension; 2) the location, if any, to which the employee shall report during the period of suspension; and 3) the anticipated duration of the suspension, if known.

Sick leave is not intended to supplement other leave provisions of this Agreement and is intended to be used only for the purpose set forth herein.

21.2 For the purpose of reporting in accordance with the current CCSNH payroll system and utilization, sick leave shall be converted to hours. The sick leave accrual rates established below shall be calculated as follows.

21.2.1 For exempt/salaried employees and non-exempt/hourly employees assigned to 37 1/2 hours per week, 1 ¼ days equals 9 hours, 23 minutes.

21.3 Effective the pay period beginning January 5, 2018, each employee’s sick leave accrual shall be calculated on a bi-weekly basis and shall be credited on the last day of the pay period. Sick leave accrued at the end of a pay period may not be used prior than the first work day of the following pay period. For the purpose of utilization, sick leave shall be counted as hours. Sick leave shall be cumulative for not more than the prescribed days.

21.3.1 Full-time covered employees assigned to a ten (10) month appointment shall be entitled to accrue sick leave based on time actually worked pursuant to the formulas cited below.

Continuous Years Worked	Hours Accrued Per Pay Period Based on One (1) Day Per Month Over 20 Pays (1 Day = 7.5 Hours)	Hours Accrued Per Pay Period Based on One (1) Day Per Month Over 26 Pays (1 Day = 7.5 Hours)	Days Accrued Per Year	Maximum Accrual
0 thru 8	4.69	3.61	12.5	90 days
9 thru 15	4.69	3.61	12.5	105 days
16 plus	4.69	3.61	12.5	120 days

21.3.2 Full-time covered employees assigned to an eleven (11) month appointment, as noted in Appendix C, shall be entitled to accrue sick leave based on time actually worked pursuant to the formulas cited below.

Continuous Years Worked	Hours Accrued Per Pay Period Based on One (1) Day Per Month Over 24 Pays (1 Day = 7.5 Hours)	Hours Accrued Per Pay Period Based on One (1) Day Per Month Over 26 Pays (1 Day = 7.5 Hours)	Days Accrued Per Year	Maximum Accrual

9 thru 15	4.30	3.97	13.75	105 days
16 plus	4.30	3.97	13.75	120 days

21.3.3 Full-time covered employees assigned to a twelve (12) month appointment shall be entitled to accrue sick leave based on time actually worked pursuant to the formulas cited below.

Continuous Years Worked	Hours Accrued Per Pay Period Based on One (1) Day Per Month (1 Day = 7.5 Hours)	Days Accrued Per Year	Maximum Accrual
0 thru 8	4.33	15	90 days
9 thru 15	4.33	15	105 days
16 plus	4.33	15	120 days

21.3.4 Eligibility to accrue sick leave is contingent upon the employee being on a paid status for the entire bi-weekly pay period. Sick leave is not earned in pay periods during which the employee was on an unpaid status for 7.5 hours or more.

21.4 Use of Sick Leave: An employee may utilize his/her sick leave, allowance for absences due to illness, injury, or exposure to contagious diseases endangering the health of other employees when requested by the attending physician; medical and dental appointments with prior approval; care to an ill or injured family member; personal leave in accordance with Article 20.2 of the Agreement; or death in the employee’s family. Full-time exempt (salaried) covered employees shall utilize sick leave in increments of one (1) hour or more for partial day absences; an absence of less one (1) hour does not require the utilization of accrued sick leave. Sick leave for a full day absence shall be utilized at 7.5 hours. Use of accrued sick leave shall be deducted from his/her allowance on the basis of work days and not calendar days. The CCSNH may place a covered employee on sick leave when, in the opinion of management, the employee appears to be of such physical condition so as to prohibit the employee from fulfilling his/her assigned duties.

21.4.1 *Sick Leave to Provide Care to a Family Member*

a. An employee may utilize up to seven (7) days of sick leave per fiscal year for the purpose of providing care to an ill or injured family member who is “incapable of self-care” within the meaning of the Family and Medical Leave Act (FMLA), or to accompany such person(s) to healthcare provider visits.

b. In addition to the seven (7) days authorized in 21.4.1 (a) above, an employee may utilize up to fifteen (15) days of sick leave per fiscal year for the purpose of providing care to an ill or injured family member who has an FMLA qualified illness or injury and is “incapable of self-care” within the meaning of the FMLA. This leave shall be counted as part of the employee’s FMLA leave entitlement.

c. An employee may utilize up to twelve weeks of non-intermittent sick leave for the birth of their child or the adoption of a child. The leave, if taken, shall be taken immediately following the birth or adoption and shall be counted as part of the employee’s Family Medical Leave Act (FMLA) entitlement.

21.4.2 *Bereavement Leave:* An employee may utilize up to five (5) days of sick leave for a death in the employee’s family.

21.4.3 For the purpose of administering 21.4.1 and 21.4.2 above, family shall be defined as: wife, husband, same sex domestic partner, children, the minor or dependent children of the same sex domestic partner, mother-in-law, father-in-law, parents, step-parents, step-children, step-brother, step-sister, foster child, grandparents, grandchildren, brothers, sisters, legal guardian, daughter-in-law, and son-in-law. This definition may be expanded to include other persons at the discretion of a requesting employee's supervisor on a case by case basis. If the supervisor agrees to expand, the number of days granted, up to five (5) additional days, shall also be at the discretion of the supervisor.

21.5 *Sick Leave for Maternity Purposes*

21.5.1 Disability due to maternity shall be an appropriate use of sick leave during the period of time that the employee is medically unable to work.

21.5.2 Employees applying for sick leave relating to pregnancy shall comply with the same application and medical documentation requirements as employees who apply for sick leave due to other health-related disabilities.

21.6 *Family and Medical Leave Act*

21.6.1 Eligibility for benefits in accordance with the Family and Medical Leave Act of 1993, as amended (FMLA) shall be provided in accordance with applicable statutes and shall be subject to applicable CCSNH policies.

21.6.2 The FMLA provides eligible employees up to twelve (12) weeks of unpaid and/or paid leave charged to leave balances for certain personal and family medical reasons. The FMLA allows for an eligible employee to be absent from work for up to 12 weeks in a 12 month period due to his/her own serious health condition; the birth of a child or the placement with the employee of a child for adoption or foster care; the need to care for a family member (child, spouse, or parent) with a serious health condition; or for a military qualifying exigency. The FMLA allows an eligible employee to be absent from work for up to twenty-six (26) weeks to care for a covered service member with a serious injury or illness during a single 12 month period.

21.6.3 Covered employees should contact the CCSNH Human Resources Office for more detailed information regarding the Family and Medical Leave Act and to discuss individual situations.

21.7 *Application for Use of Sick Leave*

21.7.1 For an unscheduled absence, notification of absences shall be given on the first (1st) day of absence, prior to the start of the employee's work day. For scheduled absences, notification shall be given as early as possible.

21.7.2 To utilize his/her sick leave allowance, the employee must file a written application for leave with his/her supervisor, specifying that the basis of the request is:

- “illness”,
- “injury”,
- “serious health condition as defined by the FMLA”,
- “dependent care”,
- “medical/dental appointment”,
- “personal leave”,

“bereavement”,
“military leave” or
“donated to name of employee”

21.7.3 When an employee returns to work from an unscheduled absence due to an allowable use of sick leave s/he must file a written application for leave with his/her supervisor.

21.7.4 An employee may be required to furnish management with a certificate from the attending physician or other licensed health care practitioner when, for reasonable cause, management believes that the employee’s use of sick leave does not conform to the reasons and requirements for sick leave use set forth in this Agreement. Such certificate shall contain a statement that, in the practitioner’s professional judgment, sick leave is necessary. In addition, the CCSNH may, at its expense, have an independent physician examine one of his/her employees who, in the opinion of management, may not be entitled to sick leave. The time related to such examination shall not be charged to the employee’s leave.

21.8 *Payment Upon Separation*

21.8.1 Upon resignation or dismissal the amount of sick leave remaining to a covered employee’s credit shall lapse.

21.8.2 In the event of death of a covered employee while in service with the CCSNH, a sum equal to the number of days of sick leave remaining shall be paid to the employee’s estate.

21.8.3 Upon retirement under the provisions of RSA 100-A:5, RSA 100-A:6, and RSA 100-A only, or upon eligibility under RSA 100-A:5 but electing to receive a lump sum payment in lieu of an annuity, a full-time covered employee shall receive payment in a sum equal to 50% of the number of sick leave days remaining to the employee’s credit. However, the total number of days eligible for payment shall not exceed sixty (60) days. In no instance shall accrued sick leave be used to extend employment beyond the employee’s last day of work.

21.8.4 Upon separation due to retrenchment pursuant to Article 15 of this Agreement, a full-time covered employee shall receive payment in a sum equal to 50% of the number of sick leave days remaining to the employee’s credit. However, the total number of days eligible for payment shall not exceed sixty (60) days. In no instance shall accrued sick leave be used to extend employment beyond the employee’s last day of work.

21.9 Whenever a former employee, who has been separated from the CCSNH due to a reduction in force is reinstated within the recall period pursuant to Article XV of the Agreement, the previously accumulated and uncompensated sick leave pursuant to 21.8.4 above, the balance of his/her sick leave allowance shall be reinstated and placed to his/her credit.

21.10 A full-time covered employee who has had a break in CCSNH service shall be credited with prior periods of full-time CCSNH employment for leave accrual purposes if that employee’s current period of full-time CCSNH employment has been three (3) or more continuous years in duration. Only prior periods of full-time CCSNH employment of two (2) or more consecutive years in duration shall be eligible for crediting.

21.11 Shared Sick Leave: Under the shared sick leave program, full-time covered employees may voluntarily donate unused sick leave to eligible full-time covered employees who have been granted unpaid

leave of absences due to a serious illness or injury for which there is no paid leave benefits or salary replacement income or benefits available. Shared leave cannot be used for common, minor, or chronic medical conditions, a job-related illness or injury that is covered by workers' compensation, or for a health condition in which the employee is receiving disability benefits. CCSNH faculty and staff shall be allowed to share sick leave in accordance with the provision so long as both of the separate bargaining units agree to do so. Acquiescence by both bargaining units shall be evidenced by a memorandum of agreement between the two groups. If at any time, either bargaining unit wishes to end the shared sick leave arrangement, it may do so.

21.11.1 A full-time covered employee is eligible to receive sick leave donations provided he/she has completed one year of service, has exhausted all forms of paid leave prior to receiving the additional sick leave, and is on an approved unpaid leave of absence due to a serious health condition qualified under the Family Medical Leave Act of 1993 (FMLA). Paid leave includes sick leave, annual leave, fiscal year personal days, and compensatory time.

21.11.2 A full-time covered employee is eligible to donate sick leave provided he/she has completed one year of service. Leave donations may be made in full-day increments only. Sick leave donations on behalf of eligible employees shall not be authorized until solicited. Solicitation may not take place until after an approval has been issued by the CCSNH Labor Management Committee or a LMC sub-committee thereof. Each donation must be directed to a specified recipient.

21.11.3 To receive donated sick leave a full-time covered employee must meet the criteria set forth in 21.11.1 above and complete an application for donated sick leave, which shall include the amount of leave requested, the reason(s) for the request, and medical certification of the need. The completed application shall be forwarded to the CCSNH Director of Human Resources.

21.11.4 Requests for donated sick leave shall be reviewed by the CCSNH Labor Management Committee or LMC sub-committee thereof, who shall approve or deny the request. Upon approval the Committee shall determine the amount of donated sick leave to be granted. The maximum amount of donated sick leave that an employee may receive is 120 days for each qualifying event. Nothing shall prohibit additional requests for separate qualifying events under Article 21.11.1.

21.11.5 Donated sick leave may be used on an intermittent basis for a gradual return to work as recommended by the employee's medical provider and authorized by the CCSNH or for medical appointments related to the serious health condition for which the donated leave was granted. Upon return to work any unused donated sick leave shall remain as part of the recipient's sick leave balance.

21.11.6 Eligibility for shared sick leave ends either when an employee returns to full-time work, a medical condition improves to the point where it no longer qualifies for donated leave; the employee qualifies for long-term disability benefits pursuant to Article 17.2.3 of this Agreement; or the employee separates from employment. Donated sick leave remaining to the employee's credit at the time of employment separation, retirement, or death shall lapse.

21.11.7 The decision of the CCSNH Labor Management Committee administering the shared sick leave program shall be final and binding. If a request is not approved, no further action shall be taken by the parties or by the requesting employee.

Article XXII
LEAVE OF ABSENCES WITHOUT PAY

22.1 Leave of absences without pay may be granted at the discretion of the CCSNH for appropriate reasons for a period of up to one (1) year for full-time covered employees. A leave of absence without pay shall not exceed (1) year, unless otherwise provided by law.

22.2 Leave of absences without pay due to sickness shall not be granted until all of the full-time covered employee's accumulated sick leave, annual leave, personal days, and/or compensatory time has been exhausted.

22.3 No annual leave, sick leave, or personal days shall be accumulated during a leave of absence without pay and the full-time employee's increment and seniority dates may be adjusted based on the total number of calendar days without pay. The continuation of health, dental, retirement and other voluntary benefits shall be processed in accordance with federal laws, the provisions of this Agreement, and/or human resources policies and procedures.

22.4 Notwithstanding the provision of Article 22.3 above, a full-time covered employee who requests and is approved for a leave of absence without pay that is unrelated to sickness shall not be required to utilize and exhaust his/her annual leave prior to being granted such leave of absence.

22.5 An employee who fails to return to work from an approved leave of absence when scheduled shall be considered to have voluntarily terminated his/her employment with the CCSNH.

Article XXIII
MILITARY LEAVE

23.1 The CCSNH will comply with all federal law governing military service, including military leaves of absences, as required by the Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA, 38 U.S.C., Sections 4301- 4334) and any other pertinent legislation.

23.2 Any full-time covered employee who is a member of the National Guard or of a reserve component of the armed forces of the United States shall be entitled to military leave when such duty is in conflict with the employee's regular work schedule. The employee, regardless of funding source, shall be entitled to fifteen (15) days of paid military leave per training year to engage in temporary active duty when such duty is in conflict with the employee's work schedule.

23.3 Any full-time covered employee, who is required to engage in active military duty and whose military leave has been exhausted for that training year, may request the utilization of accrued annual leave, up to fifteen (15) days of sick leave, personal days, compensatory time, or leave without pay, the approval of which shall not be unreasonably withheld.

23.4 Any full-time covered employee who is in an active military status and who is in a without pay status, shall not be entitled to accrue any form of leave.

23.5 In time of armed conflict, members of the National Guard or Armed Forces Reserves, who are assigned duties related to notification of next of kin, ceremonial or funeral details shall be released from

their regular duties without loss of leave or pay. Such employees shall provide their supervisor with notice as soon as possible as to the date and expected duration of such assignments.

Article XXIV
CIVIL LEAVE/JURY DUTY

24.1 Any covered employee shall be granted civil leave without loss of pay or accrued leave when performing jury duty or when subpoenaed to appear before a court, public body, or administrative tribunal. Such civil leave shall only be granted when the time period of service coincides with the employee's regular work schedule. A covered employee shall report to work when not impaneled for actual service or s/he is on call.

24.2 Employees teaching a class immediately after a period of time for which civil leave is granted shall not be denied the utilization of accumulated annual, fiscal year personal days, or personal leave for that class time.

24.3 An employee on civil leave shall surrender to the CCSNH any fees received for such activity, less mileage reimbursement for use of the employee's own vehicle, provided the employee is being paid by CCSNH for such time involved in the activity as defined in Article 24.1 above.

24.4 Under normal circumstances, the CCSNH will not request that a covered employee seek a jury duty deferment. However, should the release of an employee create an undue hardship for the employing institution, management may request that the employee provide information to the designated court for deferral consideration.

Article XXV
EDUCATIONAL LEAVE

The CCSNH encourages participation in educational programs that develop and advance an employee's job-related skills and knowledge, enhance job performance, or prepare the employee for advancement in CCSNH employment. Educational leave with or without pay may be granted, at the discretion of the CCSNH, for the purpose of allowing employees time to further their education through an approved full-time course of study or comparable professional development activity directly related to their work or that of the Community College System. Such leaves shall be available as a matter of privilege rather than a right.

25.1 Educational Leave Without Pay

25.1.1 A full-time covered employee who has completed two (2) years of continuous employment and has satisfactory job performance in his/her current position is eligible to apply for an educational leave without pay. Such application shall be made in accordance with CCSNH policies and procedures. Approval of educational leave without pay shall not be unreasonably denied.

25.1.2 An educational leave without pay shall not be granted for more than 12 consecutive months and shall be granted only at a time when it will not disrupt the operations or teaching programs of the Community College System or its colleges.

25.1.3 During an approved educational leave without pay no annual leave, sick leave, or personal days shall be accumulated and the employee's increment and seniority dates shall be adjusted based on the total

number of calendar days without pay. The continuation of health, dental, retirement, and other voluntary benefits shall be processed in accordance with federal laws, the provisions of this Agreement, and human resources policies and procedures.

25.2 *Educational Leave With Pay*

25.2.1 A full-time covered employee who has completed six (6) years of continuous employment at the CCSNH and has satisfactory job performance in his/her current position is eligible to apply for an educational leave with pay. Such application shall be made in accordance with CCSNH policies and procedures. Approval of an educational leave with pay shall not be unreasonably denied.

25.2.2 An eligible employee may be granted full-time educational leave not to exceed six (6) months at half pay after six (6) years of service with the CCSNH. An eligible employee with ten (10) years or more service with the CCSNH, may be granted full-time leave not to exceed one (1) year (12 months) at half pay.

25.2.3 An educational leave with pay will not be granted for more than 12 consecutive months and shall be granted only at a time when it will not disrupt the operations or teaching programs of the Community College System or its colleges.

25.2.4 During an approved educational leave with pay, the employee shall receive his/her increment and longevity benefits, but is not entitled to accumulate annual or sick leave. The employee's health, dental, and other insurance benefits will be continued in the normal manner. Those benefits which are salary dependent (i.e. retirement deductions) shall continue at the employee's normal percentage rate on the salary being paid during the leave time.

25.3 *Limitations*

25.3.1 The beginning and ending of an educational leave for a full-time covered employee shall be scheduled at times reasonable and convenient to the employee's department or work unit.

25.3.2 The CCSNH reserves the right to limit educational leaves due to financial, programming, operational and/or staffing considerations.

Article XXVI

OTHER LEAVE & VOLUNTEER EMERGENCY SERVICE

26.1 *Employee Assistance Program:* Full-time or regularly scheduled part-time employees may be granted up to three (3) hours of paid administrative leave per fiscal year for the purpose of attending appointments with a representative from the CCSNH recognized Employees Assistance Program (EAP). The use of such leave must be coordinated with the employee's supervisor prior to leaving the workplace to attend an EAP meeting.

26.2 *Volunteer Emergency Service:* A full-time employee who serves as a volunteer fire fighter, licensed ambulance attendant, emergency medical technician, disaster relief worker, search and rescue responder, or licensed rescue squad attendant and who is called from work, delayed in reporting to work, or absent from work due to emergency service shall be granted the use of annual leave, personal days, and/or accrued compensatory time to cover the period of such absence. An employee shall notify his/her

immediate supervisor of such emergency service and of his/her need to be absent from work as soon as practical. The performance of said duties may be verified by management.

Article XXVII ***INSTITUTIONAL CLOSURE***

27.1 As a condition of employment, all employees of the CCSNH are expected to work at their assigned times and schedules regardless of weather conditions or other circumstances. A CCSNH institution may close due to an emergency or extreme weather condition, when it is determined that the health or safety of employees would be placed at risk or that conditions or events prevent the performance of regular operations, services, or programs. At such times an institutional closure may be declared and authorized by the Chancellor, the College President for his/her institution, or the appointed designee. The cancellation of classes for students by itself does not constitute “an institutional closure.”

27.2 Personnel Designations and Treatment of Absences

27.2.1 Each CCSNH institution shall be responsible for designating essential personnel and communicating that designation to such personnel at the time of an official institutional closure. Essential personnel shall be required to report to work as scheduled. Essential personnel classified as exempt shall receive their regular rate of pay/salary for time worked.

27.2.2 All other personnel who are not required to report to work or remain at work because of an official institutional closure shall be considered absent with pay and such absences will not be charged to any accrued leave or compensatory time for the designated time period of the institutional closure. Employees who do not report to work before an institutional closure is declared, shall be required to utilize accrued leave time for the time not covered by the institutional closure.

27.2.3 Covered employees who are not directly affected by the conditions warranting the institutional closure or who are not scheduled to work during such times, shall not accrue any right to, and shall not be compensated in any manner for, any absence that may be authorized for those covered employees directly affected.

27.3 In cases when operations are not delayed or closed, covered employees who are unable to report to work due to weather conditions shall be entitled to utilize accrued annual leave, personal days, or compensatory time. Under such circumstances, employees shall report said absences in accordance with their institution’s policy for reporting absences. At the discretion of management, employees may be permitted to make up missed work time within the designated pay week.

Article XXVIII ***UNIFORMS AND EQUIPMENT***

28.1 Each CCSNH institution retains the right to establish standards for uniform wear. Uniforms are attire required and selected by the CCSNH institution to be worn in the performance of assigned duties. Uniform clothing as defined in this section shall be administered in accordance with CCSNH policies and procedures.

28.1.1 Each CCSNH institution shall reimburse a covered employee, whose individual Personal Protective Equipment (PPE) Assessment indicates a need for safety footwear pursuant to current occupational safety and health standards, for the cost of safety footwear in an amount of up to \$150.00. An additional allowance shall be paid only when the footwear is damaged due to a job related activity or through normal wear and tear. The CCSNH retains the right to determine the appropriate style of safety footwear and such footwear shall meet current standards for personal protective equipment.

28.1.2 Each college, as applicable, shall provide employees who are required to attend graduation and participate in the graduation procession, with a cap, gown, and other appropriate regalia. The care and laundering of assigned graduation clothing shall be the employee's responsibility.

28.2 Each CCSNH institution shall issue or make available such protective clothing and equipment as deemed necessary to provide for the health and safety of employees.

28.3 Each CCSNH institution shall incur all costs associated with the repair/replacement of equipment lost or damaged by an employee during the normal performance of his/her assigned job duties. The employee shall be assessed a charge for the repair or replacement of equipment lost or damaged due to the employee's willful behavior or gross negligence.

Article XXIX

PAYROLL INFORMATION

29.1 All covered employees shall be paid on a bi-weekly basis in accordance with the designated CCSNH payroll calendar.

29.2 All covered employees shall be paid by direct deposit. For those covered employees who elect to opt out of direct deposit, a paper payroll check will be generated and mailed to the employee's designated work address for distribution. Such payroll checks will normally not be distributed to employees earlier than the designated payment date for the particular pay period.

29.3 Payroll detail information shall include a clear designation as to the amount and category, e.g., regular, overload, leave, or holiday pay, of compensation for which payment is being made.

29.4 Ten (10) month faculty shall be granted the option of receiving their earnings in twenty (20) bi-weekly payments or in twenty-six (26) bi-weekly payments. Payment elections must be made prior to the start of the work period and cannot be changed after the work period begins.

29.6 Payroll checks, payroll advice forms, and other such payroll documents shall be distributed in a manner that maintains the confidentiality of personal and payroll information. Maintenance of confidentiality shall not, however, be interpreted so as to hinder the normal functioning of the payroll system, or to limit access to personal and payroll information by employees whose job functions require such access.

Article XXX
TRAVEL REIMBURSEMENT AND ADVANCES

30.1 Reimbursement for travel and meals shall conform to the terms of this Agreement and the policies and procedures established by the CCSNH. The CCSNH shall reimburse covered employees for reasonable and necessary expenses incurred due to authorized CCSNH travel. CCSNH agrees that it will not alter any travel or meal reimbursement amounts for covered employees without first consulting with the Association.

30.2 Employees who are on travel status are expected to exercise good judgment when incurring travel costs. All business travel must be pre-approved and prudently planned so that the best interests of the CCSNH institution are served at the most reasonable costs. The CCSNH institution shall provide reimbursement for business travel expenses only if such expenses are reasonable, properly authorized, appropriately documented, and within the guidelines of established financial and travel policies and procedures. No portion of costs associated with personal travel will be paid by the CCSNH institution.

30.3 The CCSNH agrees to reimburse covered employees for valid travel expenses within fifteen (15) working days of the date the employee submits to the CCSNH a properly completed and authorized travel expense form along with itemized receipts. The CCSNH agrees to treat travel reimbursement requests with the same priority as payroll.

30.4 *Mileage Reimbursement*

30.4.1 The CCSNH shall provide reimbursement to covered employees required to use their personal vehicle for authorized CCSNH business travel. A valid drivers' license issued within the United States and a safe driving record are required. Proof of a valid drivers' license must be provided by the employee to the CCSNH to be eligible for mileage reimbursement. Verification of a safe driving record may be required. The cost of obtaining such record, if any, shall be borne by CCSNH, except as otherwise identified as a job requirement.

30.4.2 The Parties agree that all covered employees who are required to use their private vehicles for CCSNH business shall be reimbursed for all miles incurred at the maximum mileage rate then allowable by the U.S. Internal Revenue Service for the first mile of travel. The Parties further agree that any changes in the mileage reimbursement rate, as a result of U.S. Internal Revenue Service action, shall be made prospectively. The parties further agree that an employee shall record mileage incurred on CCSNH business from the odometer readings on his/her vehicle and the CCSNH shall reimburse for all reasonable travel incurred. In the absence of odometer readings, travel mileage shall be computed based on official state highway maps or Map Quest queries, and shall be reimbursed based on the most expedient, commonly traveled direct routes. In no instance, however, shall the CCSNH reimburse for travel incurred from an employee's home to or through the site of his/her official headquarters, or vice versa, unless such reimbursement is specifically authorized by this Agreement.

30.4.3 A valid receipt is required for the reimbursement of tolls. If a valid receipt is not presented, the covered employee will be reimbursed at the E-Z pass rate that is in effect at the time of travel.

30.4.4 A valid receipt is required for the reimbursement of parking expenses associated with business travel.

30.5 *Meals*

30.5.1 When associated with authorized CCSNH travel, covered employees shall be reimbursed for meals, taxes, and tips in accordance with the following conditions and schedules:

a. Employees presenting an itemized receipt shall be reimbursed for the actual reasonable cost of breakfast, lunch, or dinner, the meal tax, and a service tip, up to a maximum of 15%.

b. In-State Travel: Without a receipt for incurred travel expenses, employees shall be reimbursed at the then current travel per diem rate set by the General Services Administration for Merrimack County. Such reimbursement shall be calculated at the following percentages:

Breakfast –	20%
Lunch -	25%
Dinner -	55%

c. Out-of-State Travel: Without a receipt for incurred travel expenses, employees shall be reimbursed for meals at rates consistent with the General Services Administration (GSA) Travel Per Diem Rates in effect at the time of travel for the destination. GSA rates may be obtained at www.gsa.gov.

d. The CCSNH may authorize meal reimbursement for a covered employee who is required to work beyond his/her regularly scheduled hours or who requests to attend an official function, banquet, dinner, or meeting associated with a meal, provided that authorization is given in advance and in writing. The CCSNH shall not require an employee to attend an official function, banquet, dinner, or meeting associated with a meal if reimbursement is not authorized.

e. Reimbursement shall not be authorized for meals included within the lodging fee or included as part of the registration fees for a conference, workshop, or training session.

f. Reimbursement shall not be authorized for alcoholic beverages.

30.6 *Lodging Reimbursement*

30.6.1 The CCSNH agrees to reimburse covered employees for the reasonable costs of lodging expenses incurred while on authorized CCSNH business travel that is fifty (50) miles or more from the traveler's home or primary work site. Exceptions to the fifty (50) mile limit may be authorized by the Chancellor or designated College President. Reimbursement for lodging expenses shall be processed at single occupancy or standard business room rates. When the lodging is at the location of the conference, reimbursement will be limited to the conference rate. Reimbursement shall include costs associated with the room tax and a maximum non-meal tip allowance of \$3.00 per day to be used for lodging related services such as maid, concierge, bell hop, or valet services. For reimbursement employees must submit an original itemized hotel invoice and the completed and authorized travel expense forms.

30.7 *Air Travel*

30.7.1 When coordinating travel for authorized CCSNH business, covered employees may utilize a CCSNH approved travel vendor to arrange air travel, which shall be directly invoiced to the CCSNH for payment. Covered employees may elect to coordinate their own travel arrangements by incurring the costs associated with the business travel. The CCSNH agrees to reimburse covered employees for the reasonable costs of air fare. Delta Dental Premier Dentist Network

You'll get the best value from your program when you receive your dental care from a Delta Dental PPO or Delta Dental Premier participating dentist:

▲ **No balance billing:** Because participating dentists accept Delta Dental's approved amount for service, you will normally pay less when you visit a participating dentist.

▲ **No claim forms:** Participating dentists will prepare and submit claim forms for you.

▲ **Direct payment:** Northeast Delta Dental pays the dentist directly, so you don't have to pay the covered amount up-front and wait for a reimbursement check.

To find out if your dentist is part of the Delta Dental Premier or Delta Dental PPO network, call your dentist or visit our web site at www.nedelta.com. Click on Locate a Dentist, then Local or National Dentist Directory. You can also call our Customer Service Department at 1-800-832-5700 or 603-223-1234.

Claim Submission Process for Participating Dentists

▲ Present your ID card to the dentist at the time of your visit.

▲ The dentist will submit your claim to Northeast Delta Dental.

▲ Northeast Delta Dental will send you an Explanation of Benefits (EOB) detailing what has been processed under your program's coverage. You are responsible to pay any remaining balance directly to the dentist.

If you visit a non-participating dentist, you may be requested to bring a claim form that is available by calling Northeast Delta Dental or can be downloaded from www.nedelta.com. Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignments of benefits be honored and Northeast Delta Dental receives written notice of an assignment on the claim form before payment for benefits is made. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for non-participating dentists in the geographic area in which services are provided. It will be your responsibility to make full payment to the dentist. When there is not sufficient fee information available for a specific dental procedure, Northeast Delta Dental will determine an appropriate payment amount.

Predetermination of Benefits

Northeast Delta Dental strongly encourages predetermination of cases involving costly or extensive treatment plans. Although it's not required, predetermination helps avoid any potential confusion regarding Delta Dental's payment and your financial obligation to the dentist.

Coordination of Benefits

If you have any questions, please contact our Customer Service department at 1-800-832-5700 or, 603-223-1234.

Identification Card

Two identification cards from Delta Dental will be produced and distributed shortly after your enrollment. Both cards are issued in the subscriber's name, but can be used by everyone covered under the program.

Summary of Covered Services

Preventive Care

Anthem's HRA plan covers preventive services recommended by the U.S. Preventive Services Task Force, the American Cancer Society, the Advisory Committee on Immunization Practices and the American Academy of Pediatrics. The Preventive Care benefit includes screening tests, immunizations and counseling services designed to detect and treat medical conditions to help prevent avoidable premature injury, illness and death.

All preventive services received from a network provider are covered at 100%, are not deducted from your HRA and do not apply to your deductible. If you see an out-of-network provider, then your deductible or out-of-network coinsurance responsibility will apply. If you receive any of these services for diagnostic purposes — for example, a colonoscopy when symptoms are present — the appropriate plan deductible and coinsurance will apply and available account dollars may be used to cover costs.

The following is an overview of the types of preventive services covered:

Child Preventive Care

Office Visits for preventive services
Screening Tests for vision, hearing, and lead exposure. Also includes pelvic exam and Pap test for females who are age 18, or have been sexually active.
Immunizations:
 Hepatitis A
 Hepatitis B

Same Sex Domestic Partner Benefit Eligibility shall be eliminated effective July 1, 2014.

A benefits-eligible employee may obtain benefits for their same sex domestic partner and their eligible dependents. Eligibility for same sex partner domestic partner coverage requires the filing of a complete and authorized “Affidavit of Same Sex Domestic Partnership.” Such documents must be filed with the CCSNH Human Resources Office. The Affidavit of Same Sex Domestic Partnership requires that the employee and the employee’s same sex domestic partner attest to the following:

1. The partners are of the same gender, are at least 18 years of age, and are mentally competent to consent to contract;
2. The parties are each other’s sole same sex domestic partner, responsible for each other’s common welfare and financial obligations;
3. Neither party is legally recognized as being married to another person or the common law spouse of another person in the State of New Hampshire, nor are the partners related by blood to a degree that would prohibit marriage in the State of New Hampshire;
4. The domestic partnership has been in existence for the past six (6) consecutive months prior to filing the Affidavit of Same Sex Domestic Partnership;
5. The employee and his/her same-sex domestic partner share a residence; and
6. One of the following four (4) conditions must exist for the partnership (the CCSNH employee may be asked to produce confirming documentation):
 - a. The parties have one of the following arrangements:
 - i. Joint ownership of a motor vehicle
 - ii. Joint bank account(s)
 - iii. Joint credit card account(s)
 - iv. Lease for a residence identifying both parties as tenants
 - v. Joint mortgage or ownership of residence.
 - b. The employee has designated the same sex domestic partner as:
 - i. A beneficiary of the employee’s life insurance coverage; or
 - ii. A beneficiary for the death benefit payable from the employee’s state retirement annuity; or
 - iii. A primary beneficiary in his/her will or trust
 - c. The parties have executed a “relationship contract” which obligates each of the parties to provide support for the other and provides, in the event of termination of the domestic partnership, for a substantially equal division of any property acquired during the relationship.
 - d. Proof of a legally issued and recognized civil marriage or civil union¹.

¹ Civil marriage is the legal term currently used in New Hampshire to designate a marriage between same-sex parties pursuant to NH RSA 457. Civil union refers to any civil "marriage-equivalent" relationship between same-sex partners that is legally contracted outside of New Hampshire, by whatever name designated. Civil union and marriage are not intended to include common law marriage, even if such relationship is recognized by law in the jurisdiction of the employee's residence.
